EXPERIENCE

2019 ->

PROJECT MANAGER
UMEÅ UNIVERSITY BUILDING OFFICE

As a project manager I work with a team of 5 students in an iterative process to design new user interfaces for the university's lecture halls.

2019 ->

EXECUTIVE CREATIVE DIRECTOR
GREENIE NORDIC

As one of the founders at a green-tech startup in Umeå, one of my responsibilites was to oversee and lead the engineering design process. This included building the website, design high and low-fidelity prototypes, and in overall create the brand.

2019 - 2020

INNOVATION AMBASSADOR
UMEÅ ENERGI

As an innovation ambassador, I am part of a team that reviews, improves, and reports on services that Umeå Energi handles or develops. Together with ten other students in different fields, we develop innovative solutions for decision makers at Umeå Energi.

2019 - 2020

WEB DEVELOPER
DIETISTKONSULT NORR

As a web developer, I work with user experience design in Wordpress to improve the usability of the website and optimize the company's search results (SEO).

2015 - 2017

DIFFERENT JOBS BETWEEN TRAVELLING ABROAD
THE WORLD

As a young man trying to figure out what I wanted in life, I decided to take on some different jobs, while also travelling to different places. The variuos job positions I had during the period were security, kitchen, logistics, and tech support.

2013 - 2015

MANAGEMENT SOLDIER
SWEDISH ARMED FORCES

As a soldier for the Swedish armed forces, I quickly entered the labor market and learned how to take responsibility and arrive on time. My military training was mainly focused on preparations for deployment abroad.

EDUCATION

2017 - 2022

INTERACTION TECHNOLOGY AND DESIGN (M.Sc.)
UMEÅ UNIVERSITY

The education of my dreams. It combines my two biggest passions, technology and design. So far, I've been able to pass all courses within the given timeframe, and I aim to graduate in 2022. Apart from my studies, I've participated in many extracurricular activities.
